The Drinks

We have a special passion for drinks here at Kindred so whether you're a wine buff, a cocktail connoisseur, or a 'just a pint, please' kinda person, we don't judge. We're just as happy popping the champagne as we are pouring a pint, and our cocktails are renowned in West London.

All the details can be adapted to suit your needs on the day, but we thought it'd be helpful to show you a couple of popular options that others have gone for in the past.

The Pre-Order

For those who love a plan.

"We wanted to shape the evening with different drinks; champagne and beer buckets on arrival, wines at dinner, and a surprise tray of tequila shots for later on. We had a round of cocktails served just after dinner which went down well. Pre-ordering all the drinks meant we had total control of our budget, and we knew people would be well looked after over the course of the evening. We opted for guests to pay as they go once the drinks we ordered were finished, which worked well for us."

The Open Bar

For those who love simplicity.

"We didn't want to have to spend a lot of time thinking about what people might want to drink, and we wanted to keep it super simple. We opted to put the majority of our drinks budget as a bar tab, and let people order as they choose. We limited the menu slightly to help the bar tab go further, but had a few cocktails available which our guests loved. We had the option to top up the tab if it was reached during the night, or to move to a cash bar."

Extras

As well as exceptional food and drink, we provide those special extras that can make all the difference. We have a directory of amazing suppliers, from musicians and DJs, to florists, to tarot card readers. Once you're booked with us, we can help connect you to the best in the industry, helping take your event to the next level. We always aim to be as transparent as possible when it comes to cost. Here are some additional costs you might need to be aware of.

Late Licence Fee & Security

£275 (+ VAT) until 12am. £550 (+ VAT) until 2am.

When you book with us, your event will finish by 11pm as standard. If you're partying late (after 11pm, until as late as 2am), we need to cover our costs for security on the doors and additional staffing costs, including helping them get home after their shift. Our 2am licence fee is reserved for larger bookings of 60 or more guests.

£240 (+ VAT) for the first 5 hours, £40 (+ VAT) per hour for subsequent hours.

These magical people are the unsung heroes of fantastic events, be it an all-day conference or a night of live music with multiple acts. If you're having any musicians or DJs at your event, or other specific technical needs beyond the basics, this is an essential added fee.

Service Charge

We charge a 12.5% non-discretionary service charge on all food and drink items for private hire events. 100% of this goes to our staff who work exceptionally hard to make your event run beautifully on the day. More on this in the FAQs section.

Table, Chair and Linen Hire Fee

Depending on your event and requirements, there may be an additional fee for us to hire in tables, chairs and linen.

FAQs

Questions About The Booking Process

What's the process to secure a date for my event?

If your event is more than two weeks away, we will work with you to establish the details of your event, including estimated quantities of food and drink, and build you a quote. (This can be updated nearer the event with any changes and final quantities). We ask for 50% of the quote to be paid in order to secure the date, and the remaining 50% to be paid a minimum of two weeks prior to the event, along with your final food and drink choices.

If your event is less than two weeks away, we would ask for the full payment in order to secure the booking.

What is the cancellation policy?

The full T&Cs include our cancellation policy and needs to be read and understood before confirming you booking. You can cancel your event at any time in writing, but depending on when you cancel, some or all of the sum may be liable. When you cancel we will endeavour to resell your date, and if we are successful, we may be able to offer you a partial or full refund, however this is not guaranteed if costs have been incurred in planning your event. The same applies if you need to reschedule your event. Please do make sure you read the full terms and conditions prior to booking with us, and discuss with your event manager if you have any questions or concerns.

I'm short on time to organise my event.

Can you help?

We offer a bespoke event curation service, entirely dependent on your needs. For events with a total value of £6000 or less, we charge a fee of £300. For events of a value higher than £6000, this is included.

This includes any or all of the below:

- Finding, booking and liaising with bands, DJs or performers or other suppliers that suit your requirements
- Organising additional AV equipment for conferences or showcases (e.g. extra screens)
- Booking entertainment, (e.g. photo booths, tarot card reader, magician)
- Designing and printing bespoke menus and signage for your event

I have bespoke requirements, and want food and drink to be designed specifically for my event. Is this an option?

For those who want to go the extra mile, you have the option to design your own menu with our chef team, meet with our wine and drinks specialists to ensure the perfect pairings, or design bespoke cocktails for your event. We will work with you to ensure you're satisfied with the end result, with tastings included. This service is between £500 and £2500 depending on the brief.

Are there any parties you don't do?

All event enquiries will be considered on a case by case basis. However, at this time we regret that we're unable to host children's birthday parties and 18th birthday parties.

Questions About Payments

What's the difference between the Hire Fee and the Minimum Spend?

Your event manager will work with you to understand your requirements and your budget, and find the best option for you.

The essentials are that for our evening events, we charge a hire fee which covers the use of the room, the equipment, furniture and the staffing you require for your event. There is an additional minimum spend requirement on top of the hire fee that will go towards a pre-ordered amount of food and drink (for example, some arrival drinks, canapés, or a bar tab). You can add more food and drink than the required minimum spend (either as a pre-order or on the night), but you are not able to order less than the minimum spend. The minimum spend amounts include VAT.

Why do I have to pay a service charge before the event, and why can't I choose whether to pay it or not?

This is a great question, and requires a proper answer. Our staff work incredibly hard to deliver your event to the best of their ability and with the warmth and friendliness that Kindred is known for. 100% of our service charge goes to our team; those in the kitchen, on the bar, and on the floor, and they really appreciate it. In our restaurant, Cellar, our service charge is 'discretionary', which means it's up to you as a customer if you'd like to pay it or not, to acknowledge the (hopefully) fantastic service you experienced on the night. For private events it's a bit different. As a company, we opt for a non-discretionary service charge (which means we pay VAT on it, as opposed to discretionary service). This means it's not optional, and we do this because we guarantee that our staff will go above and beyond for you and your guests, and we want to both reward this and encourage them to continue doing this.

We know that our clients are often on a strict budget, and we want to be sensitive to this, and will always work our hardest to deliver you the event you want within your chosen budget. However, partly why we have a non-discretionary service charge is because we don't want it to become an easy way to cut costs, meaning our team are left unrewarded.

We really appreciate your understanding in this regard. If you feel like something did not meet your expectations of service on the night, and you left feeling unhappy for whatever reason, we urge you to inform your event manager as soon as possible, so they can investigate and help find a resolution for you.

FAQs Cont.

How do damage deposits work?

For larger parties, we will usually charge a damage deposit which will be 20% the value of your booking up to a maximum of £2000. Any damage that is caused that is attributed to you, your guests, or your suppliers, will be assessed, and a quote for specialist cleaning, repairs or replacement will be obtained from Kindred's chosen contractors. The sum of this quote will be deducted from your damage deposit before it is returned to you. If there is no reported damage from the event, we will refund the full damage deposit to you within 5 working days.

Questions About Food & Drink

Can I do a tasting?

Yes, we would recommend it! We charge a tasting for a minimum of two people at £250 which includes a range of dishes and a selection of drinks.

A couple's tasting is included in our wedding hire fee.

Additional guests are charged at £125 per person.

What are your corkage fees?

If you'd like to bring your own alcohol, we charge the following corkage fees:

Still wine: £25 per bottle

Sparkling wine: £35 per bottle

Spirits: £70 per bottle

Beer/Cider/Softs: £4 per bottle or can (individual portion)

Do you allow external catering/food from outside?

We ask that you do not bring food or drinks in from outside without prior agreement. If you want to discuss bringing in an external caterer, this will depend on requirements, and the 'corkage' fee starts at £15 per person.

Can I bring a cake?

Yes, with prior agreement. We charge a one off fee of £20 to store and serve the cake, and includes portioning (if required), plates, cutlery, napkins and clearing away. This service is included in the wedding hire fee.

Questions About Decor & Extras

Can I decorate the space in advance of the event?

Everything can be discussed with your events manager, and bespoke requirements will be considered on a case by case basis. Some things we don't allow, including (but not limited to) exposed flames, helium balloons and confetti canons.

Can we throw confetti?

Confetti is not allowed indoors, but natural confetti (dried flowers, petals etc) can be used outside on the steps. We do not allow synthetic confetti of any kind in or outside the building.

Can I book a photo booth or party entertainer?

Everything can be considered on a case by case basis. Please discuss your requirements with your events manager. If you would like help finding and booking entertainers, please note this comes at an additional charge, (see below under "I'm short on time to organise my event. Can you help?")

Do you have a room where I can get ready or a space that can be used as a green room for my band/guest speaker?

Yes, we have a couple rooms that could work for this, available at an additional charge. Please ask your event manager for more details.

Questions About Music & Entertainment

Will someone be able to help with our AV needs on the day?

It's important you establish with your event manager your Audio Visual needs for the day so we can establish if you will be fine with our regular set up or if you need specialist support for the day. Everything can be done, it's all in the planning.

How late can my event go until?

For parties of 80 guests or over, we have a late licence option available until 2am. This costs £550 and includes the hire of two security personnel for your event.

I have a DJ or Band, can they use your decks / equipment?

Yes, with prior agreement. The use of our equipment is included with the hiring of our AV technician, at £240.

Do you have any noise limitations for live or recorded music?

No, but please do discuss your requirements with your events manager.

Questions About Attending The Event

Are you accessible?

We have a lift that accesses all three floors and no hidden steps within the floors themselves. Our disabled toilet is on the ground floor, and we're fortunate to be outside the Hammersmith Tube & Bus station which is fully accessible.

Is there parking nearby?

While we are right outside the Hammersmith tube and bus station, parking is always more tricky in the area. The nearest car park is outside the Hammersmith Apollo, but this is limited to a max of 2 hours. We would recommend parking on residential streets (use the app Ringo) approx 10 mins walk away.

Can kids attend?

Yes, providing they're supervised by their parent/guardian. No alcohol will be served to anyone under 18 years of age, and young guests will be asked for ID if they attempt to order alcoholic beverages. We know some fantastic child entertainers for parties, so please let us know if you would like help organising something along these lines.

Can I bring my dog to the event?

We love dogs, and are a dog friendly venue. Please be mindful not to allow dogs on the furniture, keep them on a lead at all times, and bring a towel with you if there is wet weather. Bear in mind that many dogs find it stressful being around loud music, so think carefully before planning on having your pet attend your party!
